Penalty for Wrong Answers

There will be penalty for wrong answers marked in the Objective Tests (Prelims, Mains, Single Level Examination). For each question for which a wrong answer has been given by the candidate one fourth of the marks assigned to that question will be deducted as penalty to arrive at corrected score. If a question is left blank, i.e. no answer is marked by the candidate; there will be no penalty for that question.

Scores Obtained in Online Written Exams

The corrected scores obtained by each of the candidates in different sessions (if held) will be normalized using equipercentile method. Scores upto two decimal points shall be taken for the purpose of calculation.

For the post of office assistant (multipurpose), marks obtained only in the main examination will be considered for final merit listing.

For the post of officers scale-I, marks obtained only in the main examination will be considered for shortlisting for interview and final merit listing.

For the post of officers scale-II (generalist and specialist) and scale-III, marks obtained in the single level examination will be considered for shortlisting for interview and final merit listing.
