The Union Cabinet today approved an attractive recruitment scheme for Indian youth to serve in the Armed Forces. The scheme is called AGNIPATH and the youth selected under this scheme will be known as *Agniveers*. AGNIPATH allows patriotic and motivated youth to serve in the Armed Forces for a period of four years.

The AGNIPATH scheme has been designed to enable a youthful profile of the Armed Forces. It will provide an opportunity to the youth who may be keen to don the uniform by attracting young talent from the society who are more in tune with contemporary technological trends and plough back skilled, disciplined and motivated manpower into the society. As for the Armed Forces, it will enhance the youthful profile of the

Armed Forces and provide a fresh lease of ‘Josh’ and ‘Jazba’ whilst at the same time bring about a transformational shift towards a more tech savvy Armed Forces – which is indeed the need of the hour. It is envisaged that average age profile of Indian Armed forces would come down by about 4-5 years by implementation of this scheme. The nation stands to immensely benefit by infusion of highly inspired youth with deeper understanding of self-discipline, diligence and focus who would be adequately skilled and will be able to contribute in other sectors. The dividends of a short military service to the nation, society and the youth of the nation are immense. This includes inculcation of patriotism, team work, enhancement of physical fitness, ingrained loyalty for the country and availability of trained personnel to boost national security in times of external threats, internal threats and natural disasters.

This is a major defence policy reform introduced by the Government to usher in a new era in the Human Resource policy of the three Services. The policy, which comes into immediate effect, will hereafter govern the enrolment for the three services.

### Benefits to the *Agniveers*

*Agniveers* will be given an attractive customised monthly package along with Risk and Hardship allowances as applicable in the three services. On completion of the engagement period of four years, *Agniveers* will be paid one time ‘SevaNidhi’ package which shall comprise their contribution including accrued interest thereon and matching contribution from the Government equal to the accumulated amount of their contribution including interest as indicated below:

The ‘Seva Nidhi’ will be exempt from Income Tax. There shall be no entitlement to gratuity and pensionary benefits. *Agniveers* will be provided non-contributory Life Insurance Cover of Rs 48 lakh for the duration of their engagement period in the Indian Armed Forces.

During this period of service to the nation, the *Agniveers* will be imparted with various military skills and experience, discipline, physical fitness, leadership qualities, courage and patriotism. Post this stint of four years, the *Agniveers* will be infused into the civil society where they can contribute immensely towards the nation building process. The skills gained by each *Agniveer* will be recognised in a certificate to form part of his unique resume. *Agniveers*, on completion of the four-year tenure in the prime of their youth, will be mature and self-disciplined with the realisation to become better version of himself/herself both professionally as also personally. The avenues and opportunities that will open up for their progress in the civil world after *Agniveer* tenure would certainly be a big plus towards nation building. Moreover, the ‘Seva Nidhi’ of

approximately Rs 11.71 lakh would aid the *Agniveer* to pursue his/her future dreams without the financial pressure, which is normally the case for young people from the financially deprived strata of society.

The individuals, selected for enrolment in the Armed Forces as regular cadre, would be required to serve for a further engagement period of minimum 15 years and would be governed by the existing terms and conditions of service of Junior Commissioned Officers/Other Ranks in Indian Army and their equivalent in Indian Navy and Indian Air Force and that of Non Combatant enrolled in the Indian Air Force, as amended from time-to-time.

The scheme will lead to much more youthful and technically adept war fighting force by ensuring a fine balance between youthful and experienced personnel in the Armed Forces.
